MyNutrition

MyNutriKids.com® is a secure, family friendly system for online prepayments and nutrition education that integrates with your NUTRIKIDS software.

The site offers three services:

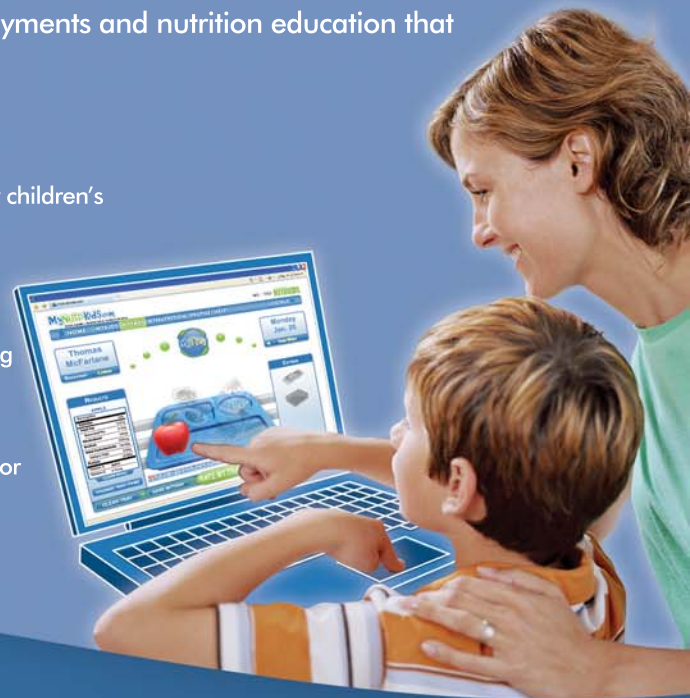

MyKids Online Prepayments: Allows parents to deposit money on their children's school account via credit/debit card or Paypal Account

MyTray Interactive Menus: Parents and students are able to view your school breakfast and lunch options in a fun way, while learning how food choices contribute to the nutritional quality of their diet.

MyNutrition Nutrition Education: Provides educational opportunities for families and district staff related to health, nutrition and physical activity. Resources include articles, tips, tools, recipes, links, challenges and a section just for kids designed to appeal to your entire school community.

MyKids

MyKids gives parents a fast, easy, and secure way to add money to their children's school meal accounts (using a credit, debit card or a PayPal account), check their children's current school meal account balances, and monitor what items their children have been purchasing at school.

FEATURES

- ★ Secure online prepayments via credit/debit card or Paypal account
- ★ 24/7 self service access to balances and transaction history
- ★ Low balance email notification

BENEFITS

- ★ Reduce labor costs and less cash handling by district
- ★ Increases serving line speed—more time for students to eat
- ★ Convenient tracking of account purchases and balance information
