

MYTRAY (INTERACTIVE MENUS)

MyNutriKids.com

our family friendly system for online prepayments and nutrition education

MyTray helps food service departments promote and communicate their menu plan to parents, children and staff. You can turn your cafeteria into an entertaining, hands-on nutrition education classroom that empowers children to make healthier eating choices by allowing them (and their parents) to plan school meals online using the school's actual menu items.

FEATURES

OVERVIEW

- Allows students and parents to plan school meals in advance
- View meal/food item offerings
- Use your planned menus from NUTRIKIDS® Menu Planning
- Uses the Nutrition Fact Label and USDA's MyPyramid to provide nutritional data about item selections

BENEFITS

FOR THE FAMILIES

- Offers parents the opportunity to discuss good dietary habits with their children in a comfortable and entertaining setting
- Builds nutrition knowledge and gives children a friendly format for using the FDA's Nutrition Facts Label and the USDA's MyPyramid

FOR THE DISTRICTS

- Increases visibility to nutritious meal options offered by the district
- Helps meet the education requirements of their wellness policy
- Gain legitimacy and credibility for your Food Service Department
